No.F10-4/2016-NVS(Estt.III)/ 138

20th January, 2016

To

The Dy. Commissioner,
Navodaya Vidyalaya Samiti,
All Regional Offices.

**Sub: Transfer of Principal and Vice Principal
for the year 2016 in accordance with the
Transfer Policy 2012 – reg.**

Sir,

It is observed for quite some time that some of the employees having genuine reasons are not getting transfer to the place of their choice on the pretext that either they are ineligible to seek request transfer or no vacancy is available at the choice place despite the fact that an employee has been continuing there (i.e. in the choice place) for more than 05 years. It has also come to the notice that husband and wife posted at different places are not getting unified or posted to a nearby JNV on the ground that they do not complete the normal tenure of service in their present place of posting. Same is the case in respect of employees suffering from serious ailment and requiring posting at a place where the treatment is available or where their near and dear are available to take care of them. Employees working in very hard and difficult stations and completing the requisite tenure of service are also expressing their discontentment for not getting transfer to the place of their choice as the said place is being occupied by another employee for more than 05 years (normal stay in a station).

2.1 The problems being faced by the needy employees vis-a-vis the provisions of the transfer policy 2012 and recent court cases related to the transfer was examined in detail. Considering the matter from all angles, keeping the organizational interests uppermost, it is decided to extend due benefits to the aforementioned needy employees within the frame work of the provisions of the transfer policy. In order to maximize the request transfer in the year 2016 onwards, the transfer will be effected in the following order of priorities:-

- a) Transfer of differently abled employees to their choice place.
- b) Transfer of Employees who are suffering from serious ailment/disease including their spouse and children as mentioned in Transfer Policy.

- c) Transfer of Employees completing mandatory tenure at very hard, hard and NER Region.
- d) Transfer of husband/wife to one station for unification with spouse or nearby station.
- e) Transfer of employees to hard & difficult station on willingness.
- f) Transfer of employees to hard & difficult station who have completed more than normal tenure in plain areas.
- g) General transfer of the rest of the employees (i.e. transfer within the plain area and transfer within hard & difficult area).

2.2 CASES NOT COVERED UNDER TRANSFER COUNTS WITH REASONS

- a) Transfer of differently abled employees (and employees having differently abled dependents) to be governed as per DOPT OM No.: AB 14017/16/2002-Estt.(RR) dated 13th March, 2002 & OM No.: 42011/3/2014-Estt.(Res.) dated 6th June, 2014.
- b) Transfer of employees who are suffering from serious ailment/disease including their spouse and children as mentioned in Transfer Policy [Essence of the provisions of Transfer Policy under Para 2 (b) (k)]
- c) Employees working under Special Bond in hard & difficult station and completing the requisite tenure [Obligatory for the Samiti].
- d) Transfer of husband/wife to one station for unification with spouse or nearby station [DOPT OM No.: 28034/9/2009-Estt.(A) dated 30th September, 2009)].

1. Process of inviting applications from employees for request transfer and furnishing data thereof to the NVS (Hqrs.) by the concerned Regional Office.

- a) The prescribed proforma (Format – I) for request transfer is required to **be filled up by all employees** irrespective of their intension to seek request transfer. Those employees who desire for request transfer have to mandatorily fill up Part B of the aforesaid prescribed proforma. As a result, the employees who want request transfer will have both the counts **{i.e. (i) “transfer counts” and (ii) “displacement counts”}**. Employees who do not request for transfer will have only the “displacement count”. Other particulars such as working spouse, medical certificate and service details are common to both the category of employees (i.e. those who want request transfer and those who do not want the same). Request application for transfer, as aforesaid, will be received and kept at concerned Regional Office. The summary of request application will be prepared by the Regional Office in the prescribed format (Format -II) and submitted to NVS (Hqrs.). alongwith copy of request for transfer by 03rd March, 2016.

b) **Employees willing on their own and requesting for their posting to hard & difficult stations** have to submit their applications in writing to the Regional Office indicating the place of their choice. The Regional Office will compile the data in respect of transfer on willingness for posting to hard, very hard and NER station in prescribed format (i.e. Format-VI) and send it to NVS (Hqrs.) for effecting their transfer.

c) **Administrative transfer of employees whose retention is not considered conducive for the Vidyalaya Management/functioning**

In this regard on receipt of a complaint, a detailed enquiry is to be conducted by the Regional Office and report of enquiry together with the recommendation of Dy. Commissioner be sent to the NVS (Hqrs.) for effecting transfer of the erring official on administrative grounds.

2. Keeping in view the priority fixed by the Samiti for effecting the transfer and the process of collecting the data for transfer, the Regional Office should inform all employees through the JNV concerned to fill up the application form and submit the same to the Regional Office. Necessary scrutiny may be done at the level of Regional Office. Compiled data in prescribed format as stated under Para 3 are to be sent to NVS (Hqrs.) both in soft and hard copy. The time limit prescribed in this regard is to be scrupulously adhered to.

3. **Display of vacancies in the website of NVS (Hqrs.) and Regional Office**

In order to facilitate the concerned employees to exercise their choice for request transfer, the vacancies are to be displayed in the website of NVS (Hqrs.). The vacancies are to be displayed distinctively under two categories i.e. actual vacancy as on 01.01.2016 and deemed vacancies as on 01.01.2016. Actual vacancy may include the vacancy likely to arise on account of retirement. The deemed vacancies are those vacancies where present incumbents have completed more than the normal tenure prescribed in the Transfer Policy in **plain area** (i.e. 5 years). The employees seeking request transfer may opt for such deemed vacant places as their choice place and in such circumstances the employee working there has to be shifted to his/her choice place if he/she asks for the same in the request transfer application and the same is found vacant. Otherwise Samiti may transfer him/her to any other place on its own. This particular point should be brought to the notice of all concerned.
